My signature on this document confirms all of the following:

I have read and will comply with the COPE requirements for course qualification. I further agree to notify COPE in writing should any information provided, including financial/proprietary information, change at any time during the one-year qualification period of this course.

I agree that I will keep my presentation free from commercial interest or bias. I will maintain independent control over the content of my presentation so that it is balanced, objective, presented with scientific rigor, and not be for the purpose of promoting products, equipment, etc. therefore, my presentation should not be perceived by attendees as commercial. I future agree that I will not change the basic content of my presentation following approval.

I agree to disclose to the audience of the existence of any significant financial/professional relationship with the manufacturer(s) of any commercial product(s) and/or the provider(s) of any commercial service(s) discussed in the educational presentation. (Said relationship can include things as grant/research support, employment, consulting, and/or speakers bureau arrangements, major stock ownership, etc.). I will disclose any of these relationships, whether or not there is direct commercial support for the CE activity. This disclosure is made to provide the audience the information on which they can make judgments as to a speakers' objectivity.

I agree to disclose the attendees

- a) When products or procedures being discussed are off label, unlabeled, experimental, and/or investigational (not FDA approved);
- b) Any limitations on the information that is presented, such as data that are preliminarily or that represent ongoing research, interim analyses, and/or unsupported opinion.
- c) I agree I have an ethical responsibility to make appropriate decisions related to my presentation, and all issues involving financial remunerations.

Signature:

A handwritten signature in black ink, consisting of a horizontal line with a small dip at the end, followed by a larger, more complex flourish that starts with a peak and ends with a small hook.

Melissa Barnett, OD
